

Santa Maria & Company Risk and Insurance Services Introduces Executive Personal Lines Group

- **Comprehensive programs designed for individuals with a high standard of living**
 - Wealth creates unique insurance needs that demand expert attention.
 - Serving exclusively high net worth individuals and clients, our program offers coverage innovation, flexibility, and financial stability required to adequately protect you, your family, and your valuables.
 - Your assets are unique, which means an off the shelf insurance policy simply will not be sufficient. We can tailor your insurance program to match your needs and lifestyle.
- **Meaningful Limits**
 - We live in a litigious society where extreme jury awards are common.
 - We have liability limits available up to \$100,000,000.
- **Comprehensive offerings designed for your specialized needs.**
 - Worldwide coverage
 - Domestic staff related liabilities
 - Collector cars & high value cars (Ferrari, Rolls Royce, Lamborghini, etc.)
 - Aircraft
 - Yachts and other watercraft with or without captain and crew
 - Private collections of art, jewelry, antiques and other valuables
 - Private passenger automobiles
 - Kidnap and Ransom for you and your family members
 - Broader and more responsive coverage designed for high-value homes
 - Condominiums, co-ops, vacation homes, city homes
- **Premier Claims Service – handled your way.**
 - If property is damaged, you can choose your own repair source. If needed, we can connect you with a vast network of preferred contractors, auto repair facilities, art restorers, among other experts.
 - If an item of sentimental value is lost or stolen, the loss will be indemnified *and* attempts will be made to recover the item.
 - You can prefer to receive a cash settlement in lieu of repair or replacement of damaged articles.
 - You may have your own personal attorney involved in a personal liability matter.
